This is a question for a 13 hp engine on a Honda Generator. Can I install a "pull start Eliminator on the engine and use a 18 volt drill motor so start it. I am over 80 years old now and the rope star ... read more

Honda GX390 K1 (389 cc, 13.0 HP) engine specs, review ...

Honda's GC and GS engines use the world's first small engine internal timing belt, designed to last the lifetime of the engine. Small engine timing belts are usually external and are subject to wear caused by dirt. Honda's internal timing belt runs in oil, eliminating the need for conventional drive gears. This design:
