Here Are the Guts of an IndyCar - Popular Mechanics

Hi, I have read several articles on this last Indy 500, and I only see discussion about the drivers, and nothing about the cars in the race. Does anyone know anything about what engines powered the various cars? I know the winning car was driven by an Aussie, and was a Penske car, but don't know about the car. Used to be a big deal, maybe not so much anymore?
