Hope & Relief. I feel a sense of relief and hope. I have acquired new skills to feel and deal with any and all grief moving forward. Charlyn. Very Enlightening. It was very emotional. It was enlightening. It was very clear in the early sessions that the incomplete losses lead to future unhealthy relationships.

[Hopeful Heart Counselling](#)—[In Littlehampton and Online](#)

Heart failure is an important public health problem that affects approximately 6.6 million Americans. Despite improvements in cardiac care, it remains the leading cause for hospitalization among Medicare patients and the only major cardiovascular disease whose mortality rate has remained essentially unchanged over the past decade.
