To accomplish this goal, we have several avenues for you to receive updated weather information. Whether it is delayed reporting or base closure here is a list of sites for information: USAFA Snow Call Line - (719) 333-6249

[U.S. Air Force Survival Handbook: The Portable and ...](#)

Written for use in formal United States Air Force survival training courses, the U.S. Air Force Survival Handbook is the bible for pilots who want to stay alive-no matter what. Assuming, as the Air Force does, that flight personnel may be faced at any time with a bailout or crash landing in hostile territory without supplies, the advice here is superlatively practical, but also surprisingly readable and interesting.

[Survival, Evasion, and Recovery](#)

US AIR FORCE PILOT SURVIVAL KNIFE . This is a US Air Force pilot survival knife. These type of knives began to be issued during the Vietnam war. It was determined that pilots needed a blade that could help them survived in case they were shot down. The space in the modern jet fighters was very limited. The knife had to be small but sturdy. Pilots were issued a survival vest.
