### **Air Tractor Manual - ryan donovan**

Air Tractor has been given until April 30, 2017 to develop, submit for FAA review and approval, and to distribute a new AT-802/802A training manual. It is our intention to extend the required implementation date of the new training manual to May 30, 2017.

### **FIRE BOSS - AIR SPRAY**

That's because no other air tanker attacks fires with the tempo, agility, and effectiveness of the Fire Boss. The Fire Boss is the result of equipping an Air Tractor AT-802 or AT-802A with Wipline 10000 scooping floats and a range of additional modifications. Wipline 10000 floats are based on our legendary Wipline 13000 floats for the Twin Otter.
