Audioengine Audioengine 5 Manuals
Audioengine laat met de introductie van de nieuwe A2+ en A5+ Wireless luidsprekers zien wat het bedrijf echt belangrijk vindt. De fabrikant heeft ondanks alle mogelijke verleidingen vastgehouden aan haar basisprincipes, namelijk de geluidskwaliteit, het gebruiksgemak en het brede toepassingsgebied van haar luidsprekersystemen.

B1 Bluetooth Music Receiver - Audioengine

Will my current universal remote work with my A5+ Wireless? Can you stream music wirelessly to the A5+ Wireless with the Audioengine wireless adapters like you can with the A5+ Classic? I'd like to connect an Apple Airport Express to my A5+ Wireless speakers to stream music from my Mac. I also wish to connect the speakers to my Samsung LCD TV.

The A5+ Classic was designed with the user's listening experience in mind and are not marketed as pro audio mixing monitors. However, Audioengine has its roots in the studio monitor world and the A5+ Classic is quite good for this purpose. We've had customers tell us they use these for nearfield listening and music editing with excellent results.
