*Why use creative drama in the classroom? - Youth Stages*

There must be a balance between creative activity and structure in the drama classroom. It's not unusual for students to act out or misbehave (especially students new to drama) because the expectations in drama class are so different than expectations in other classes. A drama teacher must have a plan in place to maintain control.

*Creative Drama in the Classroom | Americans for the Arts*

Drama activities combine elements of creative drama, improvisation, pantomime, creative movement, and storytelling. They have tremendous positive effects on literacy development, academic success, and social interaction and they are easy to integrate with content from other school subjects or content areas.

*McCaslin, Creative Drama in the Classroom and Beyond, 8th ...*

Creative drama is valuable for teaching both skills and concepts to young children. Children play naturally, and much of their learning in the early stages of life comes from this active vicarious experience. Reasons for Using Creative Drama in Education Social skills. Children are rewarded for good and original ideas.
