One Ten offers warranties with bikes and engines, contact us to find out more. We specialise in sales and service of early and late model CT110's and have a range of happy clients. Please see our CT Adventures page to read about some adventures on a CT110. We also have postie bike bags and racks for your CT110.

CT Trail Bikes Services  
DrATV.com also has kits to simplify engine swaps - allowing you take certain Lifan Chinese engines and upgrade the power of the CT90, as well as possibly changing to a 12v electrical system. I've ended up with something retro, but reliable. It's something that I can use on trails or just for errands.

FRAME AND SUSPENSION CT90\_CT110  
Does anyone know if you can just send your old engine away, pay money and get a professionally rebuilt engine back? I want a new engine but I don't want to do it myself, can't I just pay someone to make all my problems go away? If so who are there people, where are they located and how much does it cost?

Hot rodding the CT90 Engine Hot rodding the CT90 Engine . Turbocity Tom. 26. ... and sectioned the original intake head mount to the CT110 intake as close to the head as I could. I ported the lower intake to 22mm to match the head. ... Nice job and congrats on the effective upgrade. Its always feels good to assemble your own ...

One Ten Motorcycles | Honda CT110 postie bikes and Parts ...  
Hi all, went for the Lifan 110 engine kit off ebay, all went well, but lucky I own plenty of workshop tools to do all the mods that the seller doesn't mention. Like the supplied wiring harness that may as well be left out as none of the plugs match up to the engine wiring points, even though it was all supplied as a kit from the same seller.
