Cultural Studies: Vol 34, No 1

Cultural Studies The cultural studies approach to understanding religion that forms the analytical and methodological foundation for the Religious Literacy Project assumes the basic elements of the study of religion outlined above and frames them within a postmodern worldview with the following specific characteristics.

What the difference between the study of culture and ...

Stuart Hall and the Rise of Cultural Studies. At the time, many academics still considered the serious study of popular culture beneath them; a much starker division existed, then, between what Hall termed the “authenticated, validated” tastes of the upper classes and the unrefined culture of the masses.

Cultural Studies | Religious Literacy Project

Cultural studies is one of the more controversial intellectual formations of the 1990s and the first decade of the third millennium. It has experienced a period of rapid growth in the academy, appearing at many universities in a variety of forms and locations (although rarely as degree-granting departments).

Cultural Studies and the Study of Popular Culture on JSTOR

Cultural Studies is the study of cultural processes under the conditions imposed by the global capitalist system, and the program at George Mason University leads the way in the field by providing a cohesive yet expansive curriculum for that project.
