Democracy Matters Winning The Fight

In *Democracy Matters*, West returns to the analysis of the arrested development of democracy—both in America and in the crisis-ridden Middle East. In a strikingly original diagnosis, he argues that if America is to become a better steward of democratization around the world, we must first wake up to the long history of imperialist corruption that has plagued our own democracy.

Democracy Matters: Winning the Fight Against Imperialism ...

Democracy Matters: Winning the Fight Against Imperialism. Both our failure to foster peace in the Israeli-Palestinian conflict and the crisis of Islamist anti-Americanism stem largely from hypocrisies in our dealings with the world. Racism and imperial expansionism have gone hand in hand in our country's inexorable drive toward hegemony,...

'Democracy Matters': Plenty of Blame to Go Around - The ...

About *Democracy Matters*. In his major bestseller, *Race Matters*, philosopher Cornel West burst onto the national scene with his searing analysis of the scars of racism in American democracy. *Race Matters* has become a contemporary classic, still in print after ten years, having sold more than four hundred thousand copies. A mesmerizing speaker with a host of fervidly devoted fans, West gives as many as one hundred public lectures a year and appears regularly on radio and television.

Democracy Matters: Winning the Fight Against Imperialism ...

Democracy Matters is Cornel West's bold and powerful critique of the troubling deterioration of democracy in America in this threatening post-9/11 age of terrorist rage and imperial overreach, and an inspiring call for a resurgence of the deep democratic tradition in our country, which has waged war on the forces of imperialist corruption throughout our history.

DEMOCRACY MATTERS: Winning the Fight Against Imperialism ...

'*Democracy Matters*': Plenty of Blame to Go Around. West believes that in the fight against imperialism, the black experience may be a crucial resource, because blacks relied on tragicomic hope in their struggle for freedom, and it remains legible in their history and audible in black music, from the blues to hip-hop.

In *Democracy Matters*, West returns to the analysis of the arrested development of democracy—both in America and in the crisis-ridden Middle East. In a strikingly original diagnosis, he argues that if America is to become a better steward of democratization around the world, we must first wake up to the long history of imperialist corruption that has plagued our own democracy.

Amazon.com: Customer reviews: Democracy Matters: Winning ...

Democracy Matters: Winning the Fight Against Imperialism constitutes seven interrelated chapters that target the liberal/progressive wing of the Democratic Party. A sequel to *Race Matters*, *Democracy Matters* addresses the nation and the world. The only time West speaks of race at any length is self-referentially, when he tells of his own recent and unfortunate plight at Harvard University, which would result in his return to Princeton.
