Descriptive Translation Studies - and beyond | John Benjamins  
Making a case for descriptive translation studies, as a scholarly activity as well as a branch of the discipline, having immediate consequences for issues of both theoretical and applied nature, this text contains methodological discussions complemented by an assortment of case studies varying in scope and level, whereby the need to contextualize whatever one sets out to focus on is emphasized.

---

Descriptive Translation Studies and Beyond - Gid'ón Tórf ...  
To go "beyond" the work of a leading intellectual is rarely an unambiguous tribute. However, when Gideon Tourn founded Descriptive Translation Studies as a research-based discipline, he laid down precisely that intellectual challenge: not just to describe translation, but to explain it through reference to wider relations.

---

Descriptive For Sale - Home And Garden Store  
It does not "introduce" Translation Studies as a whole: it is aimed at postgraduates and scholars, who ought to be well beyond introductions to their field. It deals only with literary translation. And it is (with few exceptions) not "critical"—at least in the sense that it might take a critical view of translation theories.

---

Descriptive Translation Studies And Beyond  
Part One discusses the pivotal position of the descriptive branch within Translation Studies, and Part Two then outlines a detailed rationale for that positioning. This, in turn, supplies a framework for the case studies comprising Part Three, where a number of exemplary issues are analysed and contextualized: texts and modes of translational ...
