and Japan Car. Hara's exhibition of artificial, high-technology fibers, called SENSEWARE, was displayed at the Milan Triennale 2009 and resulted in a great deal of public interest.

Kenya Hara - Wikipedia

The idea is inspired by Kenya Hara's book *Designing Design*. By reading his book, I impressed by his design philosophy. This exhibition is meant to translate the philosophy into an engaging experience. Like his saying, "Design must be a slow, quiet education that gradually exerts influence on the quality of need--the standard of the desire."

Designer, Kenya Hara (b.1958) emphasizes the design of both objects and experiences. In 2000, he produced the exhibition "RE-DESIGN--Daily Products of the 21st Century", which successfully presented the fact that the resources of astonishing design are found in the context of the very ordinary and casual.

Kenya Hara Quotes (Author of Designing Design)

Designing the question is designing design and throughout the book each section tackles this from a different angle through a series of essays and examples of projects. It feels as if Hara is constantly trying to find a way to express his particular way of seeing the world in words.
