With some major points changes, as well as new stratagems and Craftworld disciplines, the Eldar are back in a big way.

Review of 8th ed 40k Codex: Craftworlds aka: Eldar Part 1 ...
Games Workshop's books are getting more and more expensive, so I was glad that the Dark Eldar codex is only \$33 (because it's 5th Ed.). You'll really get your money's worth with this one because the book is packed with amazing artwork and background information on one of the most deranged and sinister forces available for you to play in the 40k universe.

New Eldar Codex 6th Edition Review Warhammer 40k - Part 2 ...
I give, for example the new Tau codex where, in my personal opinion, every unit except for the flyers was a valid option in its own right. The days where codex's like Space Wolves dominated with two units, grey hunters and long fangs and an army would be four units of one and three units of the other are over.
