Elephant Moon By John Sweeney | Used - Very Good ...
John Sweeney's First Novel, Elephant Moon John Sweeney A reporter, old school, his philosophy is: 'I poke crocodiles, if crocodiles they be, in the eye with a stick.'

Elephant Moon - Kindle edition by John Sweeney. Romance ...
Elephant Moon is peppered with flaws like this, but John Sweeney can tell a story (he is a journalist after all), and that is what carried me through his imagined account of the true story. His characterisation was lacking, with an unbelievably angelic heroine, Grace Collins, and a dastardly villain, Gregory, the solder and ex-con.

Amazon.com.au:Customer reviews: Elephant Moon
Elephant Moon, John Sweeney's debut novel, is the story of a class of orphans trying to escape Burma during WWII. As their British colonisers abandon Burma, the Japanese begin to attack. The half-Burmese orphans, the result of coloniser affairs with local women, are unwanted by either side during the conflict.

Elephant Moon
Elephant Moon by John Sweeney is not only a good read but it taught this reader a little of the history of the break from the British Empire of the country formerly known as Burma. The writer makes no bone about the main reason for the native population seeking their independence and paints a fairly ugly picture of their British overlords.

Elephant Moon by John Sweeney - Goodreads
John Sweeney is a reporter for BBC Panorama. He has won many journalism awards and is the author of five previous books. Elephant Moon is his first novel.
