When I worked at eScience Labs over the summer of 2016, it was ok. I would suggest it as a entry level internship but I did not learn that much. The part of the company I worked for was more on the assembly line area. But other than that it was an ok work environment.

*eScience Labs Careers and Employment | Indeed.com*

Students will complete at-home laboratory experiments, track and record results, answer lab-based questions reflected in graded lab reports, and complete lab-based assessments to meet the lab requirement. The labs are provided by eScience Labs, a leading provider of at home lab kits and online lab instructional materials and resources.
