Faces of Latin America: Fourth Edition (Revised) eBook ...

Latin America, like much of the developing world, will have to face serious challenges in the current century. Environmental changes, persistent inequality, and increasing violence force millions of people throughout the region to live in a constant state of uncertainty.

Monthly Review | Faces of Latin America

Faces of Latin America examines some of the key forces--from conquest and the growth of the commodity trade, military rule, land distribution, industrialization and migration to civil wars, the debt crisis, neoliberalism and NAFTA--shaping the region's political and social history. Green also analyzes the response to these transformations--the rise of freedom fighters and populists, guerrilla ...

Challenges for Latin America in the 21st Century | OpenMind

Latin America is generally understood to consist of the entire continent of South America in addition to Mexico, Central America, and the islands of the Caribbean whose inhabitants speak a Romance language. The peoples of this large area shared the experience of conquest and colonization by the Spaniards and Portuguese from the late 15th through the 18th century as well as movements of ...

Faces of Latin America - 1st Edition

Only recently have Protestant historians begun to address historical, ideological, and theological questions in relation to the Protestant church in Latin America. In this book renowned theologian Jose Miguez Bonino distinguishes four 'faces' with which Protestantism appears in Latin America: the mission and expansion of mainline churches, the evangelical missionary wave at the turn of the ...
