Fragile Empire: How Russia Fell In and Out of Love with ...
Fragile Empire was written with clear analysis, from how Putin was created, how Putinism works with its "Vertical of Power" and "Dictatorship of Law". It tells us how the regime gained legitimacy with positive aspects like genuine market and bureaucratic reforms, This is perhaps the best post-Soviet Russia material that I've read so far.

About Fragile Empire. With the fall of communism and the dissolution of the Soviet Union, the tsarist past has caught up with Russia's present with a vengeance. The process of rethinking the past is not without its pitfalls: the negative evaluations of tsarist Russia, obligatory in the former Soviet Union, have given way to uncritical romanticizing.
