Search Tips. Phrase Searching You can use double quotes to search for a series of words in a particular order. For example, "World war II" (with quotes) will give more precise results than World war II (without quotes). Wildcard Searching If you want to search for multiple variations of a word, you can substitute a special symbol (called a "wildcard") for one or more letters.

In the introduction to his multicultural anthology of American poetry From Totems to Hip-Hop, Ishmael Reed describes this bias against artists of color: "...at one time women were required to be modest and quiet, to avoid appearing 'shrill.'

~~From Totems to Hip Hop: A Multicultural Anthology of ...~~

"From Totems to Hip Hop" is a clanging chorus of voices from the margins of political society. That means, while recognizable writers like W.E.B DuBois, Marianne Moore and Muriel Rukeyser get their say, there is a wonderful smattering of contributions from lesser-known writers, including some of Reed's own students, as well as popular artists like Dead Prez.

From Totems To Hip-Hop is Ishmael Reed's response to his frustration with the stranglehold that "white," moneyed men have on the university system, publishing industry, and consequently the dissemination of art to the public consciousness. As a result, Reed explains in the introduction, the voices of women, racial minorities and even some white men, whose politics have conflicted with the establishment's designs, have been entirely excluded from or tokenized in the American literary canon.
