and ecological happenstance. Diamond evenhandedly reviews human history on every continent since the Ice Age at a rate that emphasizes only the broadest movements of peoples and ideas.

~~Citation—Guns, germs, and steel : the fates of human ...~~

Yet amazingly, Diamond had almost no formal education in history when he began writing *Guns, Germs, and Steel*—at university, his focus was the physiology of the gall bladder. Diamond is a highly educated man, but as far as the fields he discusses in *Guns, Germs, and Steel* are concerned, he's almost entirely self-taught.

~~Guns Germs, & Steel: Home~~

With Peter Coyote, Jared Diamond. A PBS documentary concerning Jared Diamond's theory on why there is such disparity between those who have advanced technology and those who still live primitively. He argues it is due to the acquisition of guns and steel and the changes brought about by germs.

~~Guns, Germs, and Steel: The Fates of Human Societies by ...~~

Steel's complex manufacture requires large quantities of iron ore and plentiful, carbon-rich forests, plus access to fast-flowing water for power and transport. All of which were readily available ...

~~guns germs and steel~~ 1/3

A generous reading of *Guns, Germs, and Steel* could even be that ten years after his "Worst Mistake," Diamond was now carefully considering the different forms of agriculture that had developed from diverse gathering and hunting societies. But *Guns Germs and Steel* is not about nuance or particularity. It is a one-note riff.
