Topics in Algebra, 2nd Edition: I. N. Herstein ...

Israel Nathan Herstein was a mathematician, appointed as professor at the University of Chicago in 1951. He worked on a variety of areas of algebra, including ring theory, with over 100 research papers and over a dozen books.

---

Solutions To Mathematics Textbooks/Topics In Algebra (2nd ...

These solutions are meant to facilitate the deeper understanding of the book, Topics in Algebra, 2nd edition. We have tried to stick with the notations developed in the book as far as possible. But some notations are extremely ambiguous, so to avoid confusion, we resorted to alternate commonly used notations.
