This lesson plan uses an online game from ICivics called Drafting Board. It's designed as a teaching tool, which means the game works best when the teacher is available to actively facilitate the process and answer students' questions. We recommend allotting 3 to 4 class periods in order for students to complete the game.

With the support of the Gates and Hewlett Foundations via Educause's Next Generation Learning Challenge, ICivics commissioned an ambitious, randomized clustered-design experiment to test the effectiveness of their new, computer-based teaching module called Drafting Board. Drafting Board was designed to teach students to conduct research and craft arguments on key civics topics, building multi-disciplinary understandings and skills.
