The story of social media star Qandeel Baloch who was murdered in an honour killing by her brother.

In the Name of Honour: A Memoir by Mukhtar Mai

Honour-based violence is a common occurrence within a variety of cultures and communities (Faqir, 2001). It is historically persistent and highly topical. Media attention has been focused primarily on so-called honour killing. However, killing is not the only crime committed in the name of honour, but simply the most violent. Others include early

In the name of honour - The News International

Mukhtar Mai is now a leading example for women in her native country and around the globe. With her compensation money she has opened two schools in her village, one for girls and another for boys. In August 2005, she was awarded the Fatima Jinnah gold medal for bravery and courage by the Pakistani government and was named Woman of the Year by Glamour magazine.

Patriarchal Violence in the Name of 'Honour'

A list of approximately 1,350 names is published twice a year, at the New Year and on the date of the Sovereign's (official) birthday. Since their decisions are inevitably subjective, the twice-yearly honours lists often provoke criticism from those who feel strongly about particular cases.

IN THE NAME OF HONOUR - Magzter

Murder in the name of honour has become a chronic pestilence in our society. We, in turn, have developed iron skins that seem to shield us from the true severity of this problem.

BBC - Ethics - Honour crimes

IN THE NAME OF HONOUR The spurt in the number of "honour killings" in Tamil Nadu in recent years is a stark indicator of the growing clout of patriarchal caste groups. ILANGO VAN RAJASEKARAN. IT IS A LOSS SO CRUEL. FOR 25-YEAR-OLD N.Nandish, a Dalit man, and 23-year-old S. Swathi, who belonged to the Vanniyar community (a Most Backward Caste, or MBC), life was slowly returning to normal ...

In The Name Of Honour

Honour for honour! just like- eye for an eye! I read this memoir around a decade ago, somewhere during 2008. But the precise scene, the visual that impaled my senses, as though I was a witness to her shame, the moments of her humiliations are still Mukhtaran Mai, as she is addressed, the Mai appellation being that of an honour in her culture- the honour of being an elder sister or mother.

In the name of honour - The Hindu BusinessLine

In the name of honour: the state of Karo-Kari in Sindh. May 24, 2010. ... Mr Shaikh spoke about the critical evaluation he has authored of the polices response to killings in the name of honour.

Jordan: In the Name of Honour

The findings have indicated that promoting awareness among women will help to reduce violence committed in the name of "honour;" the importance of creating dialogue to decrease the risks and barriers associated with shame; and to educate service providers about violence committed in the name of "honour" to improve standard of care.

Orders, decorations, and medals of the United Kingdom ...

Tamil Nadu has become a classic example of this contradiction. A State that takes pride in Periyar's legacies of self-respect, rationality and women's liberation and which has achieved robust all-round advancement in the spheres of education, economy and social indices is also witness to a spurt in murders in the name of caste honour.

In the Name of Honor: A Memoir: Mai, Mukhtar, Coverdale ...

A global problem. Honour violence occurs worldwide, from South America to Asia. The exact figures of how many men and women have been killed in the name of 'honour' is unknown.

Murder in the name of honour has become a chronic pestilence in our society. We, in turn, have developed iron skins that seem to shield us from the true severity of this problem.

Crimes in the name of honour | Opinion | The Guardian

"The ideas around honour go beyond any individual family: they are expressed by the whole community. Policing the behaviour of girls and young women is central to the maintenance of order and hierarchy within these extremely patriarchal communities, and those families that are seen to be failing in this duty face extraordinary pressures.
