The HKICS has full responsibility for ensuring that its examinations meet international standards and Hong Kong variant papers are now set in key examination subjects, such as taxation, company law, company secretarial practice.

solutions manual : free solution manual download PDF books

Earnings quality, in accounting, refers to the ability of reported earnings (income) to predict a company's future earnings. It is an assessment criterion for how "repeatable, controllable and bankable" a firm's earnings are, amongst other factors, and has variously been defined as the degree to which earnings reflect underlying economic effects, are better estimates of cash flows, are ...
