your Saltwater System, a measured quantity of salt is dissolved in the pool water to make it slightly salty. This pool water is passed through the Saltwater System's electrolytic cell to produce chlorine which is dissolved instantly in the water. The chlorine instantly starts to destroy bacteria, viruses, algae and oxidizes other organic materials.

Manual Intex ECO 6110 (page 1 of 27) (English)

Intex Recreation Corp. is dedicated to the safe use of all of its products. While all accidents cannot be prevented, practicing good safety habits, setting and following rules, carefully reading instruction manuals, and vigilant supervision can greatly reduce the likelihood of injury as well as reduce injury severity.

Intex Krystal Clear Saltwater System with ECO ...

Keep your above ground pool water clean, fresh, and sparkling with the Intex 26679EG 16 Inch Krystal Clear Saltwater System and Sand Filter Pump. The all-natural sand provides excellent water filtration as the 6 function control valve allows the pool owner to: filter, backwash and rinse, recirculate, drain and close the system.

Intex Saltwater System Model 8110 Setup Instructions - YouTube

The Intex Krystal Clear Saltwater System is fitted with a cell self-cleaning function helping to keep maintenance of this unit low. Somewhat unique to this system is the ability to set the self-cleaning cycle time. There are 3 settings, 6, 10 and 14 hours. The hour values refer to the time intervals that the system switches polarity on the plates.
