Solution Manual for Investment Science by David Luenberger ...

Investment Science is designed for the core theoretical finance course in quantitative investment and for those individuals interested in the current state of development in the field -- what the essential ideas are, how they are represented, how they are represented, how they can be used in actual investment practice, and where the field might be headed in the future.

Investment Science Solution Manual | Chegg.com

Luenberger does an incredible job of leaving significant holes in his lessons. In addition to this, many of his examples contain seemingly obvious errors. I have no doubt that he is an intelligent man and an expert in the field of Investment Science, but I confidently claim that he is a terrible educator and author.
