"Islands in the Stream" is a big, strong, old-fashioned movie about that threatened species, the Hemingway Hero. It celebrates physical courage and boozing all night and the initiation of boys into manhood, and it has a fishing scene, a battle scene, a love scene and a whore with a heart of gold. Papa would have loved it, and no wonder: He wrote it, and in many ways it's about him.

For Ernest Hemingway, it was love at first sight when he docked his boat, Pilar, on Bimini Island back in the 1930's. He lived on the island from 1935-1937, falling into the laid-back Bahamian way of life that included swimming off the beach, snorkeling, trolling for monster game fish and, yes, tossing back more than a few rums with the locals.

Ernest Hemingway's Islands in the Stream (c1951, 1970) was published posthumously and was expurgated by Hemingway's wife. A note in the preface states that she removed certain portions of the book which she felt certain that Hemingway would have eliminated himself (which begs the question: Why did he include them in the first place?).

### ~~Islands in the Stream Summary — eNotes.com~~

*Islands In The Stream* is certainly not the most acknowledged book of Hemingway's bibliography compared to the likes of *A Farewell To Arms*, *For Whom The Bell Tolls*, or *The Sun Also Rises*, but it is still well-worth the read. This book still has that feel of adventure, just like any other of his works.
