Even though Langit Vanilla is written by Wani Ardy on her life experiences & trials, I find everything is somehow close to me. So closely related that I felt she is writing about me, my life. Langit Vanilla sure represents me and most of the other ladies especially, on who we are in this everyday life, on how we should take it is & so forth. Kita semua sama. Kerjalah melangit,
kawanlah beribu, gaji berjuta-juta pun
kita sebenarnya sama. Takda siapa lagi
bagus dari siapa-siapa. Boleh enjoy
dengan seberapa ramai orang pun tapi
in the end, dalam berbilion penduduk
dunia ni, yang betul-betul nak hidup
dengan kita sampai akhirat ada satu
orang je.

Wani Ardy menunjuk bahawa puisi tak perlu kompleks, tak perlu mengikut standard-standard tertentu seperti dalam puisi sastera malah seorang pemuisi itu sebetulnya bebas mengungkapkan apa yang dia rasa mengikut apa cara yang dia suka. Selain itu, wani juga bijak menterjemah apa yang dia cerap untuk dituang dalam puisi dan catatan.

Namun, disebabkan Wani Ardy, minat aku terhadap karya-karya seperti ini bertambah. Dalam penulisan Langit Vanilla, tajuk 'Orang Bodoh, Orang Belajar, Orang' adalah penulisan yang ringkas dan mempunyai maksud yang mendalam dan boleh dijadikan pengajaran. Banyak lagi tulisan-tulisan yang menarik terdapat di dalam Langit Vanilla.

"More than a decade later, Wani Ardy still embodies the spirit of self-discovery and wonderment. Her earliest exploits had deep foundations in the acousti-femme movement of the early 2000s; most of her output from this particular era are standout examples in the lost art of overcoming bleakness with a uniquely beautiful mix of vulnerability and iron will.
