Owners | Makino

For the One-Time PM, a highly skilled Makino technician will PM your machine at the PM level you choose based on spindle operating hours. Or as an alternative to the One-Time PM, Makino also offers a structured PM Package that allows you to receive regular PM's at the Level and Frequency of service you desire.

Technical Support | Makino

The U3 H.E.A.T. features Makino's Hyper i control that provides intuitive and familiar touch Pinch/Swipe/Drag operations similar to smartphones and tablets. This efficient and user-friendly interface is used for all Makino Wire and RAM EDM machines, and utilizes a straightforward 3-Step operation process of Program/Setup/Run.

Customer Support | Makino

With Makino, your staff ready to meet challenges and seize opportunities. Content is based on specific skill sets and objectives and is designed to transfer a working knowledge and understanding of the machine tool system and related processes. Training covers standard production processes like maintenance, operations and programming.
