I just completed a graduate level managerial economics course with this textbook.

Unfortunately, we had to read 12 chapters in this book. It was a tough read that required rereading to grasp all of the concepts thoroughly.

Managerial Economics

(Eco 685) Course

Description Managerial

Economics is the

application of

economic theory to

decisions made by

firms. Our focus is on

three topics. We start

with production and

cost theory, where we

think about the most

basic decisions of

firms: how much to
