3 Ways to Replace a Car's Side View Mirror - wikiHow

If you've already taken your car to the dealership service center or an independent repair shop for an estimate on getting your door mirror replaced, you know how expensive it can be to get the work done. The good news is you can save a lot of this money by replacing the mirror yourself. It may seem like a very involved repair, but it's much easier than you're probably expecting.

Manual Car Repair Mirror

Repairing and changing a side-view mirror is a simple project that can be done in under an hour. The type of repair will depend entirely on the type of mirror you have on your car. Whether electronic or manual both can be repaired or replaced easily.

Basic Body Work: Side Mirror Replacement | Haynes Manuals

Most mirrors are available from online sources for a fraction of the dealer price. Because replacement body parts have to be painted to match your car, we located the factory paint color code and then visited an auto parts store and purchased cans of aerosol touch-up paint and primer. Painting the side view mirror was easy.
