Calculus Introduction (I've written this topic specifically for students taking MEI FP2.) In FP2 you'll need to know how to use the inverse trigonometric functions for differentiation and integration. I'll start by showing you the functions, what their graphs look like, and how to use them in calculus.

~~ABOUT THE NEW~~

This is a revision workshop, where we cover the compulsory Further Pure Core Mathematics Year 1 & Year 2 content for the new linear format A-level. For the Edexcel and OCR A exam boards this corresponds to Paper 1 and Paper 2 and for OCR B (MEI) this corresponds to the Mandatory Core Pure Paper (worth 50% of the total marks in each case).
