+1 on what these two say. I think the only conceivable way to get music OFF the jukebox is to somehow access the hard drive itself by either removing it and plugging it into a computer (don't try at home) or MAYBE, just maybe, with a lockpick?I know that lockpick unlocks lots of things not previously accessible but I'm just not sure...anyone with one want to chime in?

Why Microsoft lost Ford Sync: Too costly, too slow, and ...

Ford had exclusive use of the Microsoft Auto embedded operating system that powered the early versions of SYNC until the exclusivity agreement expired in November 2008. The Ford-developed user interface elements and Ford-developed applications remain exclusive to Ford group vehicles and are not available to other manufacturers using Windows Embedded Automotive for the basis of their in-vehicle infotainment systems.
