Popular Modern Architecture Books - Goodreads

At least since the Museum of Modern Art's Brazil Builds exhibition of 1943, South America has had a status close to mythic in the imaginations (especially) of North American and European architectural worlds. It got another boost from another MOMA show, Latin American Architecture since 1945, in 1955, and another from journalists' realisation in the 1990s that Oscar Niemeyer was very much ...

Latin American architecture - Latin American architecture - Postindependence, c. 1810-the present: The domination of Spain by Napoleon accelerated a period of revolution from about 1810 to 1870. By the mid-19th century most of Latin America was independent of Spain, which produced a reaction against 300 years of Spanish rule and the pervasive Baroque architecture it had popularized.

Modern Architecture in Latin America: Art, Technology, and ...

Modern Architecture in Latin America: Art, Technology, and Utopia is an introductory text on the issues, polemics, and works that represent the complex processes of political, economic, and cultural modernization in the twentieth century. The number and types of projects varied greatly from country to country, but, as a whole, the region produced a significant body of architecture that has never before been presented in a single volume in any language.
