## ~~Publications | Royal Australian Navy~~

The Navy has basically two types of publications, regulatory and procedural. Publications exist that cover just about every type of situation you can imagine. Regulatory publications such as the Navy Uniform Regulations are applicable to all persons in the Navy and lay down broad, general rules that specify what must be done.

Training and instruction manuals are the nuts and bolts of every soldier's life. From the 'King's Regs' which governed every Second World War soldier's existence, to the handbooks issued to its victorious Wehrmacht by the Third Reich. The Naval and Military Press boasts a host of books on these intriguing subjects.

On the outbreak of the Great War, the British Army was a small professional force of some 100,000 men. By the end of the conflict, after Kitchener's call for volunteers and finally conscription had scoured the nation for men, millions had served. To turn these civilians into soldiers, and to teach the new tactics
