For instance, in 1921, Electrolux / Aerus introduced the first vacuum cleaner on runners which allowed people to drag the vacuum along instead of having to carry it. In the 1950s, when wall-to-wall carpeting became all the rage, Electrolux / Aerus was the first to introduce a commercial-duty carpet shampooer for consumer use.

The unique design of the BISSELL Symphony Pet combines a pet vacuum with a pet steam cleaner giving you the ability to vacuum pet hair and debris and steam clean your hard floors at the same time. Switch seamlessly between functions while cleaning with the Easy Touch Digital Controls so you can vacuum and steam clean at the same or separately ...

BISSELL Symphony Pet All-in-One Vacuum and Steam Mop ...

This is my second vacuum. My first lasted a long time. It is quite convient. I keep it in my kitchen and use it daily . It is light and easy to clean the collection tray. This new model allows removal of the brushes for cleaning them. I have not tied this feature yet.
