~~Poverty Capital Microfinance And The~~

'Ananya Roy's Poverty Capital is a fascinating book: an invigorating study of the practices and discourses of "microfinance".' '...an important and impressive book....It is an admirable overview of contemporary microfinance in all its proliferating diversity and considerable complexity.'

~~Poverty Capital : Microfinance and the Making of ...~~

Using the case of microfinance, the book participates in a set of fierce debates about development - from the role of markets to the secrets of successful pro-poor institutions. Based on many years of research in Washington D.C., Bangladesh, and the Middle East, Poverty Capital also grows out of the author's undergraduate teaching to thousands of students on the subject of global poverty and inequality.

~~Microfinance: A Tool for Poverty Reduction?~~

But microfinance is also the site of important experiments in poverty policy, from the massive civil society institutions of Bangladesh to the Hezbollah militia of Lebanon.

of microfinance, epitomized by the work of the Grameen Bank, to the Washington consensus on poverty. The 1997 editorial explicitly sided with the Microcredit Summit and its efforts to reach 100 million people by 2005 and to increase the share of microfinance in the world's development and aid budgets. Recognizing

~~Microfinance and Poverty: Evidence Using Panel Data from ...~~

Ananya Roy: Microfinance is one of those rare poverty alleviation ideas whose popularity cuts across the ideological spectrum. Proponents of social justice have hailed microfinance as an instrument to fight the redlining of the poor by exclusionary financial institutions.

~~Poverty capital : microfinance and the making of ...~~

The author sets out to deconstruct how powerful global institutions like the World Bank produce knowledge about poverty and microfinance. The popular World Bank -approved truisms in this case are...

individual style and living standard. I eagerly read the book to find the conceptual and real time understanding of the high sounding name Poverty capital.

~~Poverty Capital: Microfinance and the Making of ...~~

Microfinance's emphasis on female-oriented lending is the subject of controversy, as it is claimed that microfinance improves the status of women through an alleviation of poverty. It is argued that by providing women with initial capital, they will be able to support themselves independent of men, in a manner which would encourage sustainable growth of enterprise and eventual self-sufficiency.

~~(PDF) Ananya Roy, A 2010 Poverty Capital Microfinance and ...~~

Poverty Capital provides an excellent and comprehensive window into the world of microfinance: the circuits of truth and capital that connect Bangladesh and other Global South centers of microfinance to Washington D.C., and to other locations of power in the Global North. This book is essential reading for practitioners of microfinance.

~~Poverty capital : microfinance and the making of ...~~

Cull, Demirgüç-Kunt, and Morduch (2009b) find that when they use loan size. as a proxy for the poverty of customers (smaller loans roughly imply poorer customers), microfinance banks appear to serve customers who are substantially better off than the customers of. nongovernment organizations (pp. 181).

~~Poverty Capitalism: Interview with Ananya Roy — FPIF~~

Her book, Poverty Capital: Microfinance and the Making of Development is the recipient of the 2011 Paul Davidoff Book Award of the Association of Collegiate Schools of Planning. The primary book award in urban planning, the Davidoff prize "recognizes an outstanding book publication promoting participatory planning and positive social change, opposing poverty and racism as factors in society and seeking ways to reduce disparities between rich and poor; white and black; men and women."

~~Ananya Roy — Poverty Capital — Microfinance and the Making of Development~~

"Poverty Capital is a must read for those interested in issues of poverty and inequality around the world. In taking an unflinching look at "bottom billion capitalism," it shows how development actually works and how global markets are actually constructed.

~~Microfinance and the Making of Development~~

If true; the poverty impact of microfinance observed at the participant level represents either income redistribution or short-run income generation from the microfinance intervention. This article examines the effects of microfinance on poverty reduction at both the participant and the aggregate levels using panel data from Bangladesh.
