The Radio Shack Electronics Learning Lab box makes no mention that it's also a digital logic course. Apart from that, it accurately portrays the lab. middle. The lab console is a dazzling bit of work. ... Besides the Basic Electronics workbook, there's a second 96 page workbook called Digital Logic Projects. ...

Radio Shack Electronics Learning Lab Manual

I recently purchased the Electronics Learning Lab from Radio Shack. In the first Workbook, on page 19, it says to leave the "black box" circuit on the bread-board while doing the Switch, Resistor, and Capacitor circuits on "the following pages". It appears that includes all the circuits from page 19 to page 41, since page 42 begins circuits with the transformer.
