the Windows Features window, click Media Features to expand it, check the Windows Media Center box, click OK, and then restart your computer to complete the install.

~~Remove Media Guide From Windows~~
I use windows media player. I like to

Download File PDF Remove Media Guide From Windows Player

optimize the way things run to do what I want. I've been obsessively seeking a way to disable the media guide. I do not want it accessing the internet and trying to sell me anything I do not plan on buying in the first place. It seems like a conspiracy and I have been unable to remedy this situation.
