Ryder is hot and so sweet I would of liked more of the book to be written in from his point of view, I really enjoyed the snippets that were. You get to catch up with the rest of the gang in this book and meet others that I'd love to get to know more in the books yet to come, I must say though that I can't wait for "James" I adore him and the suspense of what he gets up to is slowly killing me.

RYDER!!! I'm a big fan of RESISTING SERIES and I would like to say thank you to the authors for writing a novella for RYDER. I have a sort of love/hate relationship with short books but despite it being a novella, reading Ryder's story was a treat for me! We saw a few glimpsed of him in Chase and Kade's book and I got interested from there on.
