~~Samsung Katalyst SGH T739 Specs, Features (Phone Scoop)~~

i have a samsung katalyst, and i can't find the user's manual anywhere. there is an icon that keeps flashing on top of the phone's screen. i can't even tell what it is, but it's blue, white and red and it looks like there might be a question mark on the white part (the middle). sorry this is so vague, but i have no idea what i'm dealing with!
