Saving the World (Shannon Ravenel Books (Paperback ...

The framing story has a main character very similar to Julia Alvarez: a woman author native to the Dominican Republic now living in the United States. Unlike some other books ("Sarah's Key" is a prime example) in which chapters alternate between two different stories with one story being much more interesting than the other, both the stories in "Saving the World" were compelling.

Saving the World by Julia Alvarez | Book Club Discussion ...

"Alvarez's generosity of vision compensates for the not-altogether-convincing central conceit of her sixth novel." - Kirkus. The information about Saving The World shown above was first featured in "The BookBrowse Review" - BookBrowse's online-magazine that keeps our members abreast of notable and high-profile books publishing in the coming weeks.
