the manual. These precautions are, for the most part, those that apply when servicing hydraulic and larger machine component parts. Your safety, and that of others, is the first consideration when engaging in the maintenance of equipment. Always be conscious of weight. Never attempt to move heavy parts without the aid of a mechanical device.

~~Skywitch Scissor Lift Manual~~

The operator shall be familiar with the manuals and consult them when questions arise with respect to the aerial platform." A92.6.2 - "Owners shall keep and maintain a copy(ies) of the operating and maintenance manual(s) required in 4.16.1 of this standard.
