~~Student Solutions Manual For College~~

I bought the solutions manual for the book thinking it would help. To be honest the Author of this book isnt that great. The math professors at my College push this book on us, but i think its because the author pushes it on the colleges.

Most instructors or college librarians do not allow students to check out a solutions manual or take it off campus. Instead, students need to access it while on campus or at the library. In some cases, students may be able to obtain solutions manuals from students who have previously taken the course or from online sites that sell supplements to textbooks, such as Amazon or eBay.

~~Student's Solutions Manual for College Algebra: Margaret L ...~~

I purchased this solutions manual with the hopes of practicing all of the problems at the end of each chapter in the College Physics text book--unfortunately, this solutions manual doesn't provide ANY answers to the conceptual or multiple choice problems. Instead, it only provides answers to SOME of the odd numbered problems, and these answers ...
