For every brand manual or style guide it is very essential to set up the context and the narrative and this can be done on the cover page, table of contents and the introduction section. Start off with a large and beautiful layout of the primary logo design on the inner page.

Steal From These Style Guides. Your Content Will Thank You.
More specifically, they don't have a content style guide -- a marketing tool that so many consider a "nice to have," but I

would argue is just as important as the marketing strategy itself. So, today I'm going to teach you what a content style guide is, why you need it, and how to create a content style guide for your own business.

Contents | Web Style Guide
Sometimes branding fails are caused by something getting lost in translation. For example, when Coors translated its slogan, "Turn It Loose," into Spanish, it used a colloquial term for diarrhea. More often, though, branding fails happen because of a lack of a clear style guide, which can result in inconsistency or miscommunication among your content team.
