Technical Communication by Rebecca E. Burnett

Technical Communications book. Read reviews from world's largest community for readers.

Technical Communication by Rebecca E. Burnett (2004 ...

Proper technical communication is a paramount skill to learn, however, this book is severely impractical and outdated. My best guess is that the author was told to write a book on technical communication, yet she lacked the requisite knowledge of the underlying subject (at least to be practical within the last 15 years).
