The 10x Rule The Only

*Difference Between Success
And Failure*

The 10X Rule is summarized by two main components; setting massive goals and taking massive action. The idea proposed is that since all goals require an extraordinary amount of work and effort, then you might as well set big goals.

The secret to
extraordinary success
is to put in 10 times
the relevant effort than
most people, and to
condition your mind for
the success. You also
have to recognize that
with the increased
efforts, increased
obstacles will confront
you.
