Powerful FREY electric mountain bikes could be reshaping ...
Time trial races, another form of road racing require a rider to
ride against the clock. Time trials can be performed as a team or
as a single rider. Bikes are changed for time trial races, using
aero bars. In the past decade, mountain bike racing has also
reached international popularity and is even an Olympic sport.

Bike Race Moto lets you unleash the inner mountain biker racer!
All you have to do in this game is to cross the finish line before
any one else and in the least amount of time without crashing or
falling anywhere. The tracks are located in heights and on tricky
roads of the mountains environments. Drive, jump and crash
your way and other mad rivals through the amazing mountain
tracks.

The UCI Mountain Bike Race in Cairns | Let's Go Motorhomes
To keep races fair, instead of competing against standard pedal
mountain bikes, a new division was created where riders all used
the powerful FREY electric mountain bikes.
