Having completed the city's edifices and populated it with noble ladies, Rectitude turns the project over to her sister, Justice, for completion. Justice is left with the task of putting on the city's finishing touches. Through her tales of holy women, she completes the roofs and adds doorways and gates to the City of Ladies.

## The Book Of City Ladies

The Book of the City of Ladies is an allegorical society in which the word "lady" is defined as a woman of noble spirit, instead of noble birth. The book, and therefore the city, contains women of past eras, ranging from pagans to ancient Jews to medieval Christian saints.

Le Livre de la Cité des dames (The book of the city of ladies) is perhaps the best expression of Christine's lucid and humanist feminism. An implied response to St. Augustine's City of God, and also inspired by the work of Boccaccio, the book was written as a dialogue between student and master.

## SparkNotes: The Book of the City of Ladies: Plot Overview

The City of Ladies is her most famous book written as a literary riposte to male writers slandering women. Her unique rhetorical strategy to belittle her style and writing against the grain of her meaning became her trademark literary weapon.
