The Complete Guide to DAZ Studio 4 is the book that I wish I had when I started using this program. It includes practical help that I gathered after years of use and hundreds of hours of gathering information on-line and in conversation with experts like Jack Tomalin, Mec4D, and others. I hope that you will find it useful.

The Complete Guide for DAZ Studio 4 is not his first foray into training material. He has released his video “Make Your Own Reality”, “Blender Survival Guide”, produced the “Reality 3 Master Class” (Poser), and other assorted tutorials on YouTube. Right from the get-go I’ll say that Paolo is concise and clear in delivering his information, something that is always appreciated.
