An Honest Review of The Essential Lenormand by Rana George As the popularity of Lenormand grows, so too do the number of books on Lenormand being published. Some are good; some not so good. The Essential Lenormand by Rana George is one of the best.

~~Review: The Essential Lenormand by Rana George—Café ...~~

While other divination systems focus on psychology, motives, and personal growth, Lenormand is anchored in daily life and events. It will give you the “down-and-dirty” answers to questions such as whether your partner is cheating on you, when your house will sell, or what a person's intentions are.
